## MESSAGE FROM GLOBE LIFE

Dear Member,

The insurance programs being offered to you today are made available on a voluntary basis with the partnership through the International Union of Police Association and Globe Life Insurance Company.

We are privileged to provide insurance services to millions of policyholders throughout the United States, Canada, and New Zealand and have more than \$50 Billion of protection in force.

AIL's Supplemental benefits are not in competition with any group benefits through your workplace/employer and can complement any policies you may already have.

If you qualify, your coverage lasts a lifetime and is under your families independent control. Once the program has been explained to you, we're sure you will agree with the many participating members that it's one of the most valuable programs you've ever seen.

Please take a few moments to listen to the representative that is visiting you and if they can help you with this need, we ask that you please take advantage today. The reason we are asking you to make this decision today is we have several thousand families requesting our programs and we can only visit each family one at a time. We appreciate the opportunity to serve you and your family today.
